28th September 2022

Dear parent

Subject: Wilding Club Autumn term update

Wilding Club is restarting with meet ups this term on:

Sunday 9th October

Sunday 4th December

Both meet ups 10am-12 noon. Everyone welcome - children and grown ups. No wilding experience needed.

We'll also be arranging other meet ups this term for some specific tasks. These include building raised beds, building a new pond cover, planting hedgerows and more! More details to follow.

Some of these tasks need specialist skills. If you have experience in building/landscaping, design, carpentry, or social media please get in touch.

If you're new to Cumberland, the Wilding Club is a group of families who meet once a month to work to add more plants and wildlife to the school grounds. It's lots of fun and the children and grownups all enjoy it.

If you've got questions please email us at cumberlandwildingclub@hotmail.com
