19th April 2023

Dear Parents/Carers

Subject: Wilding Club – Saturday 22nd April

Join us at Wilding Club this Saturday, 10am-12noon.

This is our first Saturday meet up. If you've not been before what can you expect?

We do a variety of wilding tasks, it's not all gardening! This weekend we'll be digging beds, planting and sowing seeds, measuring for a possible new pathway, planning compost bins, possibly building new planters.

And of course we'll be admiring all the beautiful spring flowers which are bursting into bloom.

It's a friendly and fun way to meet other families, and everyone leaves feeling replenished by the chance to get outdoors.

The children often join in with the Wilding jobs, but there's also lots of football and general playing!

Everyone is welcome – no skills needed. We have most tools but if you have forks, secateurs, hand tools or gloves, feel free to bring them along.

We'd love to see you there on Saturday. If you have any questions please email Bex, Craig and Yuliya at cumberlandwildingclub@hotmail.com
